Once you have an account, it's now time to find your product to link to:

Select "Product Links" from the drop down here

The screenshot shows the Amazon Associates interface. At the top left is the 'amazon associates' logo. To its right is a notification bell icon with a '2+' badge and a redacted profile picture. Further right is a 'New: Launching' indicator. Below this is a dark navigation bar with the following menu items: Home, Product Linking (highlighted with a blue arrow), Promotions, Tools, Reports, and Help. Below the navigation bar is a red-bordered 'Important Notice' box containing several bullet points regarding expired invitations, the retirement of the aStore feature, and tax/payment information requirements. Below the notice is a breadcrumb trail: Home > Product Links. The main heading is 'Search for Any Product'. Below this is a paragraph explaining how to use the search tool. A blue arrow points to the search input field, which contains the text 'Jord Watches'. Above the search field is a three-step process diagram: 1. PRODUCT SEARCH, 2. SELECT PRODUCT, and 3. CUSTOMIZE & GET HTML. A blue arrow also points to the search input field with the text 'Search for JORD Watches here'. At the bottom of the search area are two dropdown menus: 'Search' set to 'All (Amazon.com)' and 'For' set to 'Jord Watches', followed by a 'Go' button.
